

# Queensland Cricket's Inclusive Talent Identification Program 2019

A sport for all! – All Abilities – *Blind, Deaf, Intellectually Disabled*

## CRICKETERS WITH A DISABILITY

- To support all aspiring cricketers with a disability to reach their potential
- Male and Female
- Aged between 10 - 25

Queensland Cricket is excited to announce the upcoming "Inclusive week" inviting all Cricketers with a Disability to attend a coaching and talent Identification session. Over 10 locations throughout Queensland have been scheduled in April.

This is an exciting opportunity for aspiring players with a disability to be viewed by Queensland Crickets Coach & Talent Development Specialists and local Cricket Managers.

Talented cricketers have the opportunity to progress onto our Talent Academies and be exposed to an extensive development program with the long-term goal to one day play a disability State or National team, 1<sup>st</sup> Class Cricket or ultimately Australia.
