## A sport for all!

### EDDIE GILBERT CRICKET PROGRAM

- To support all aspiring Indigenous cricketers to reach their potential
- Male and Female
- Aged between 10 - 25 years

Queensland Cricket is excited to announce the upcoming "Inclusive week" inviting all Indigenous Cricketers to attend a coaching and talent Identification session. Over 10 locations throughout Queensland have been scheduled in April 2019.

This is an exciting opportunity for aspiring Indigenous players to be viewed by Queensland Crickets Coach & Talent Development Specialists and local Cricket Managers.

Talented cricketers have the opportunity to progress onto our Talent Academies and be exposed to an extensive development program with the long-term goal to one day play Imparja Cup, 1<sup>st</sup> Class Cricket or ultimately Australia.
